By Norris

AN ACT to amend Tennessee Code Annotated, Section 2-20-105, relative to paper ballots.

(c) It shall suffice for each county to print sufficient ballots for election day equal to one hundred four percent (104%) of the number of ballots cast on election day in that county, or municipality, as appropriate, for the previous corresponding primary or general election, whether:

- (1) Presidential election;
- (2) Countywide non-presidential election;
- (3) Special election; or
- (4) Municipal election.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
